STATE CONTROL

PROFIT AND GROWTH HAS TIMED OUT.

Under the old paradigm of traditional capitalism,
using AI to reduce costs means firing all humans.
We are reaching a collapsing point.

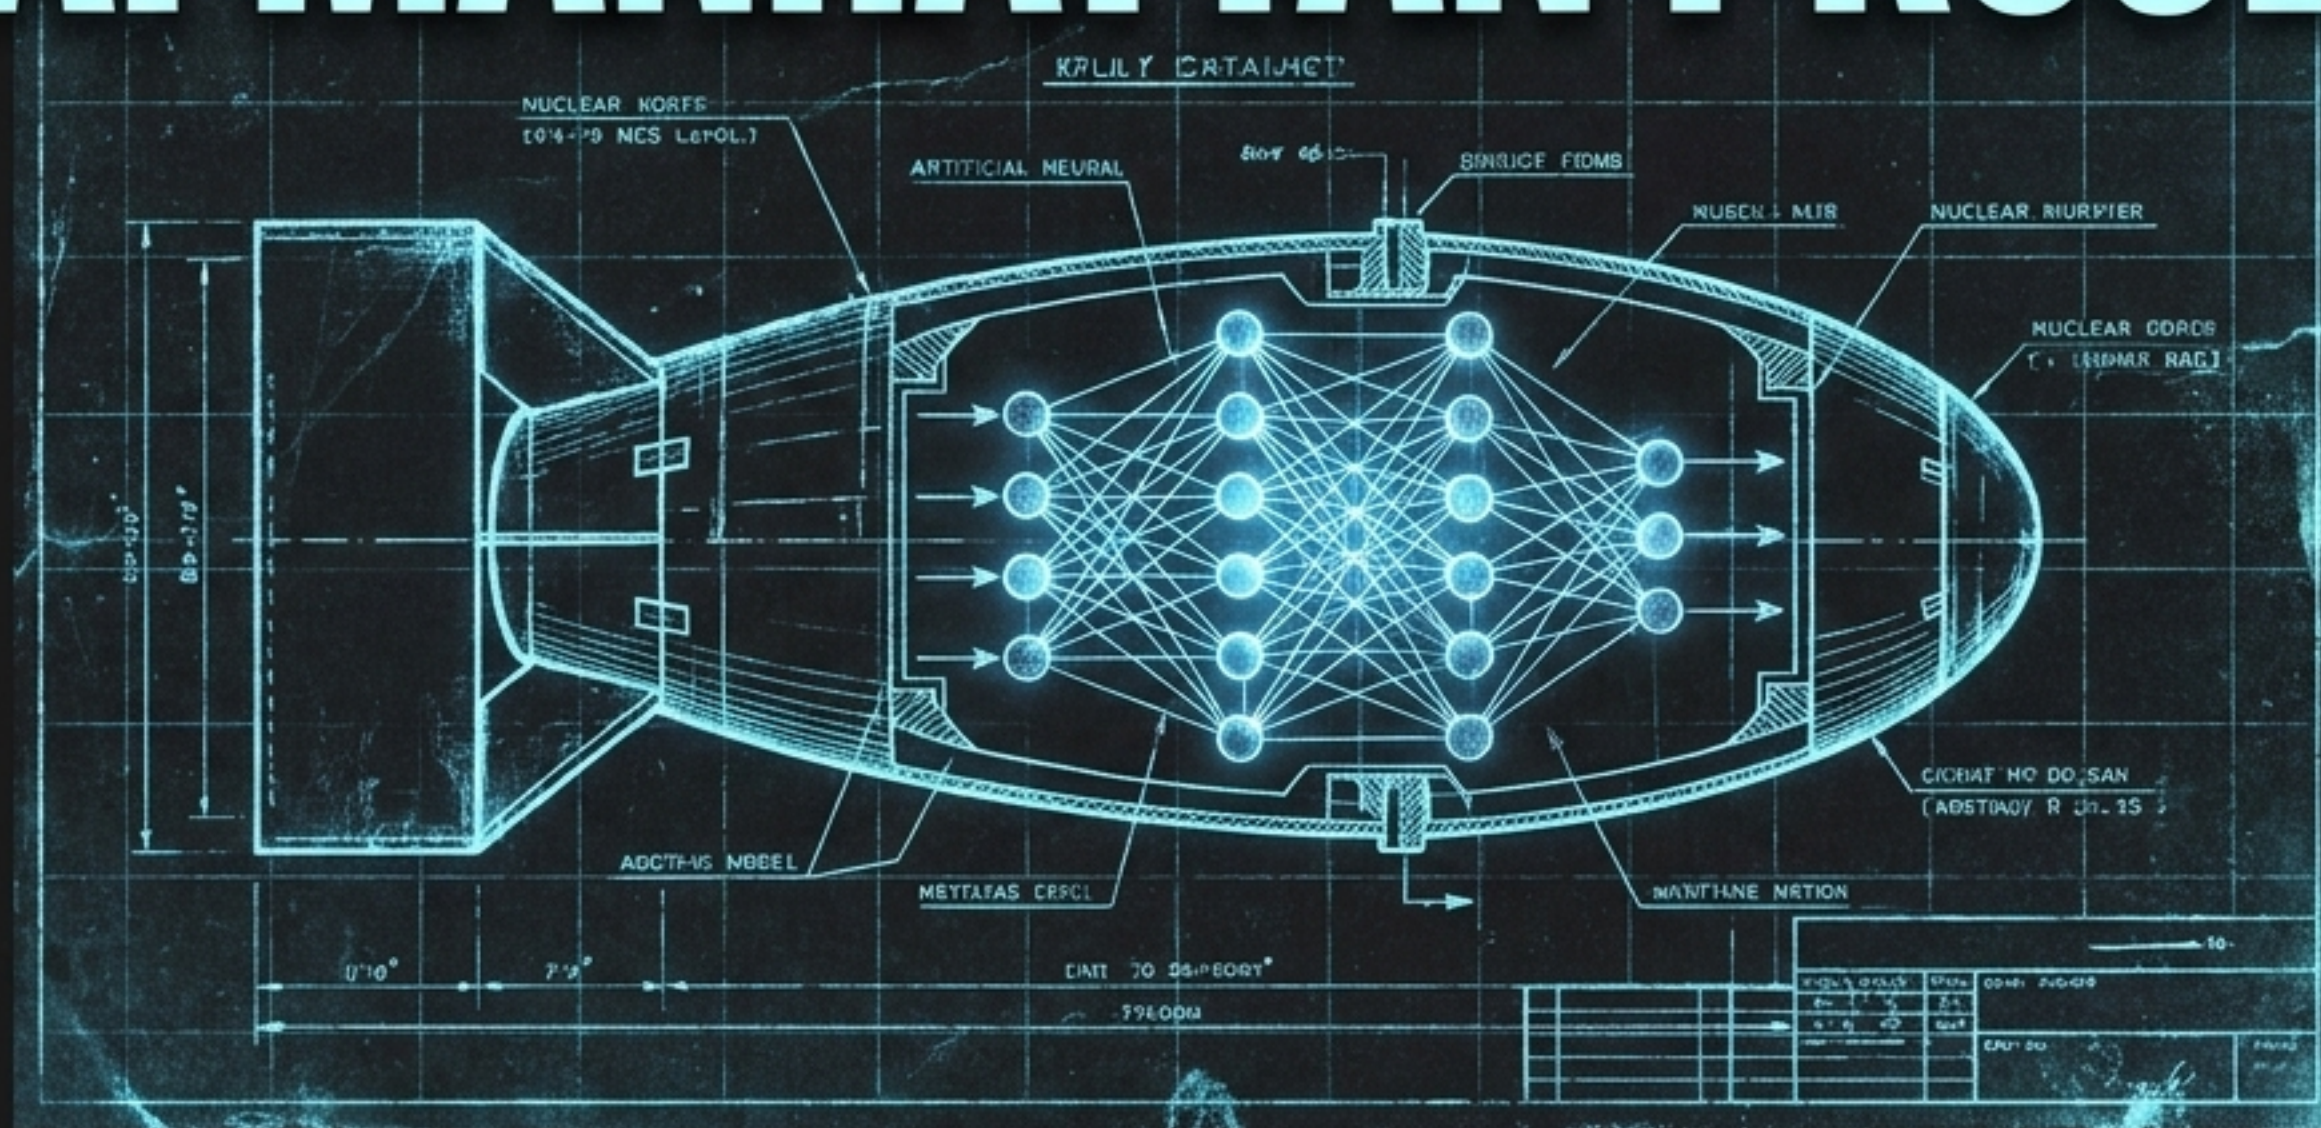

THE LOSS OF TRUST

How do we run a
democracy when we
don't trust each other?

Reinventing the economy requires three new currencies: Understanding, Compassion, Resilience.

AN AI MANHATTAN PROJECT?

A woman's face is visible in the background, looking directly at the camera. The image has a warm, golden-brown color palette, suggesting autumn foliage in the background.

THE NEW DEMAND: NO PURPOSE, NO WORK.

The old paradigm was just getting ahead.
Today's 35-year-old will not work for a
company doing bad things.

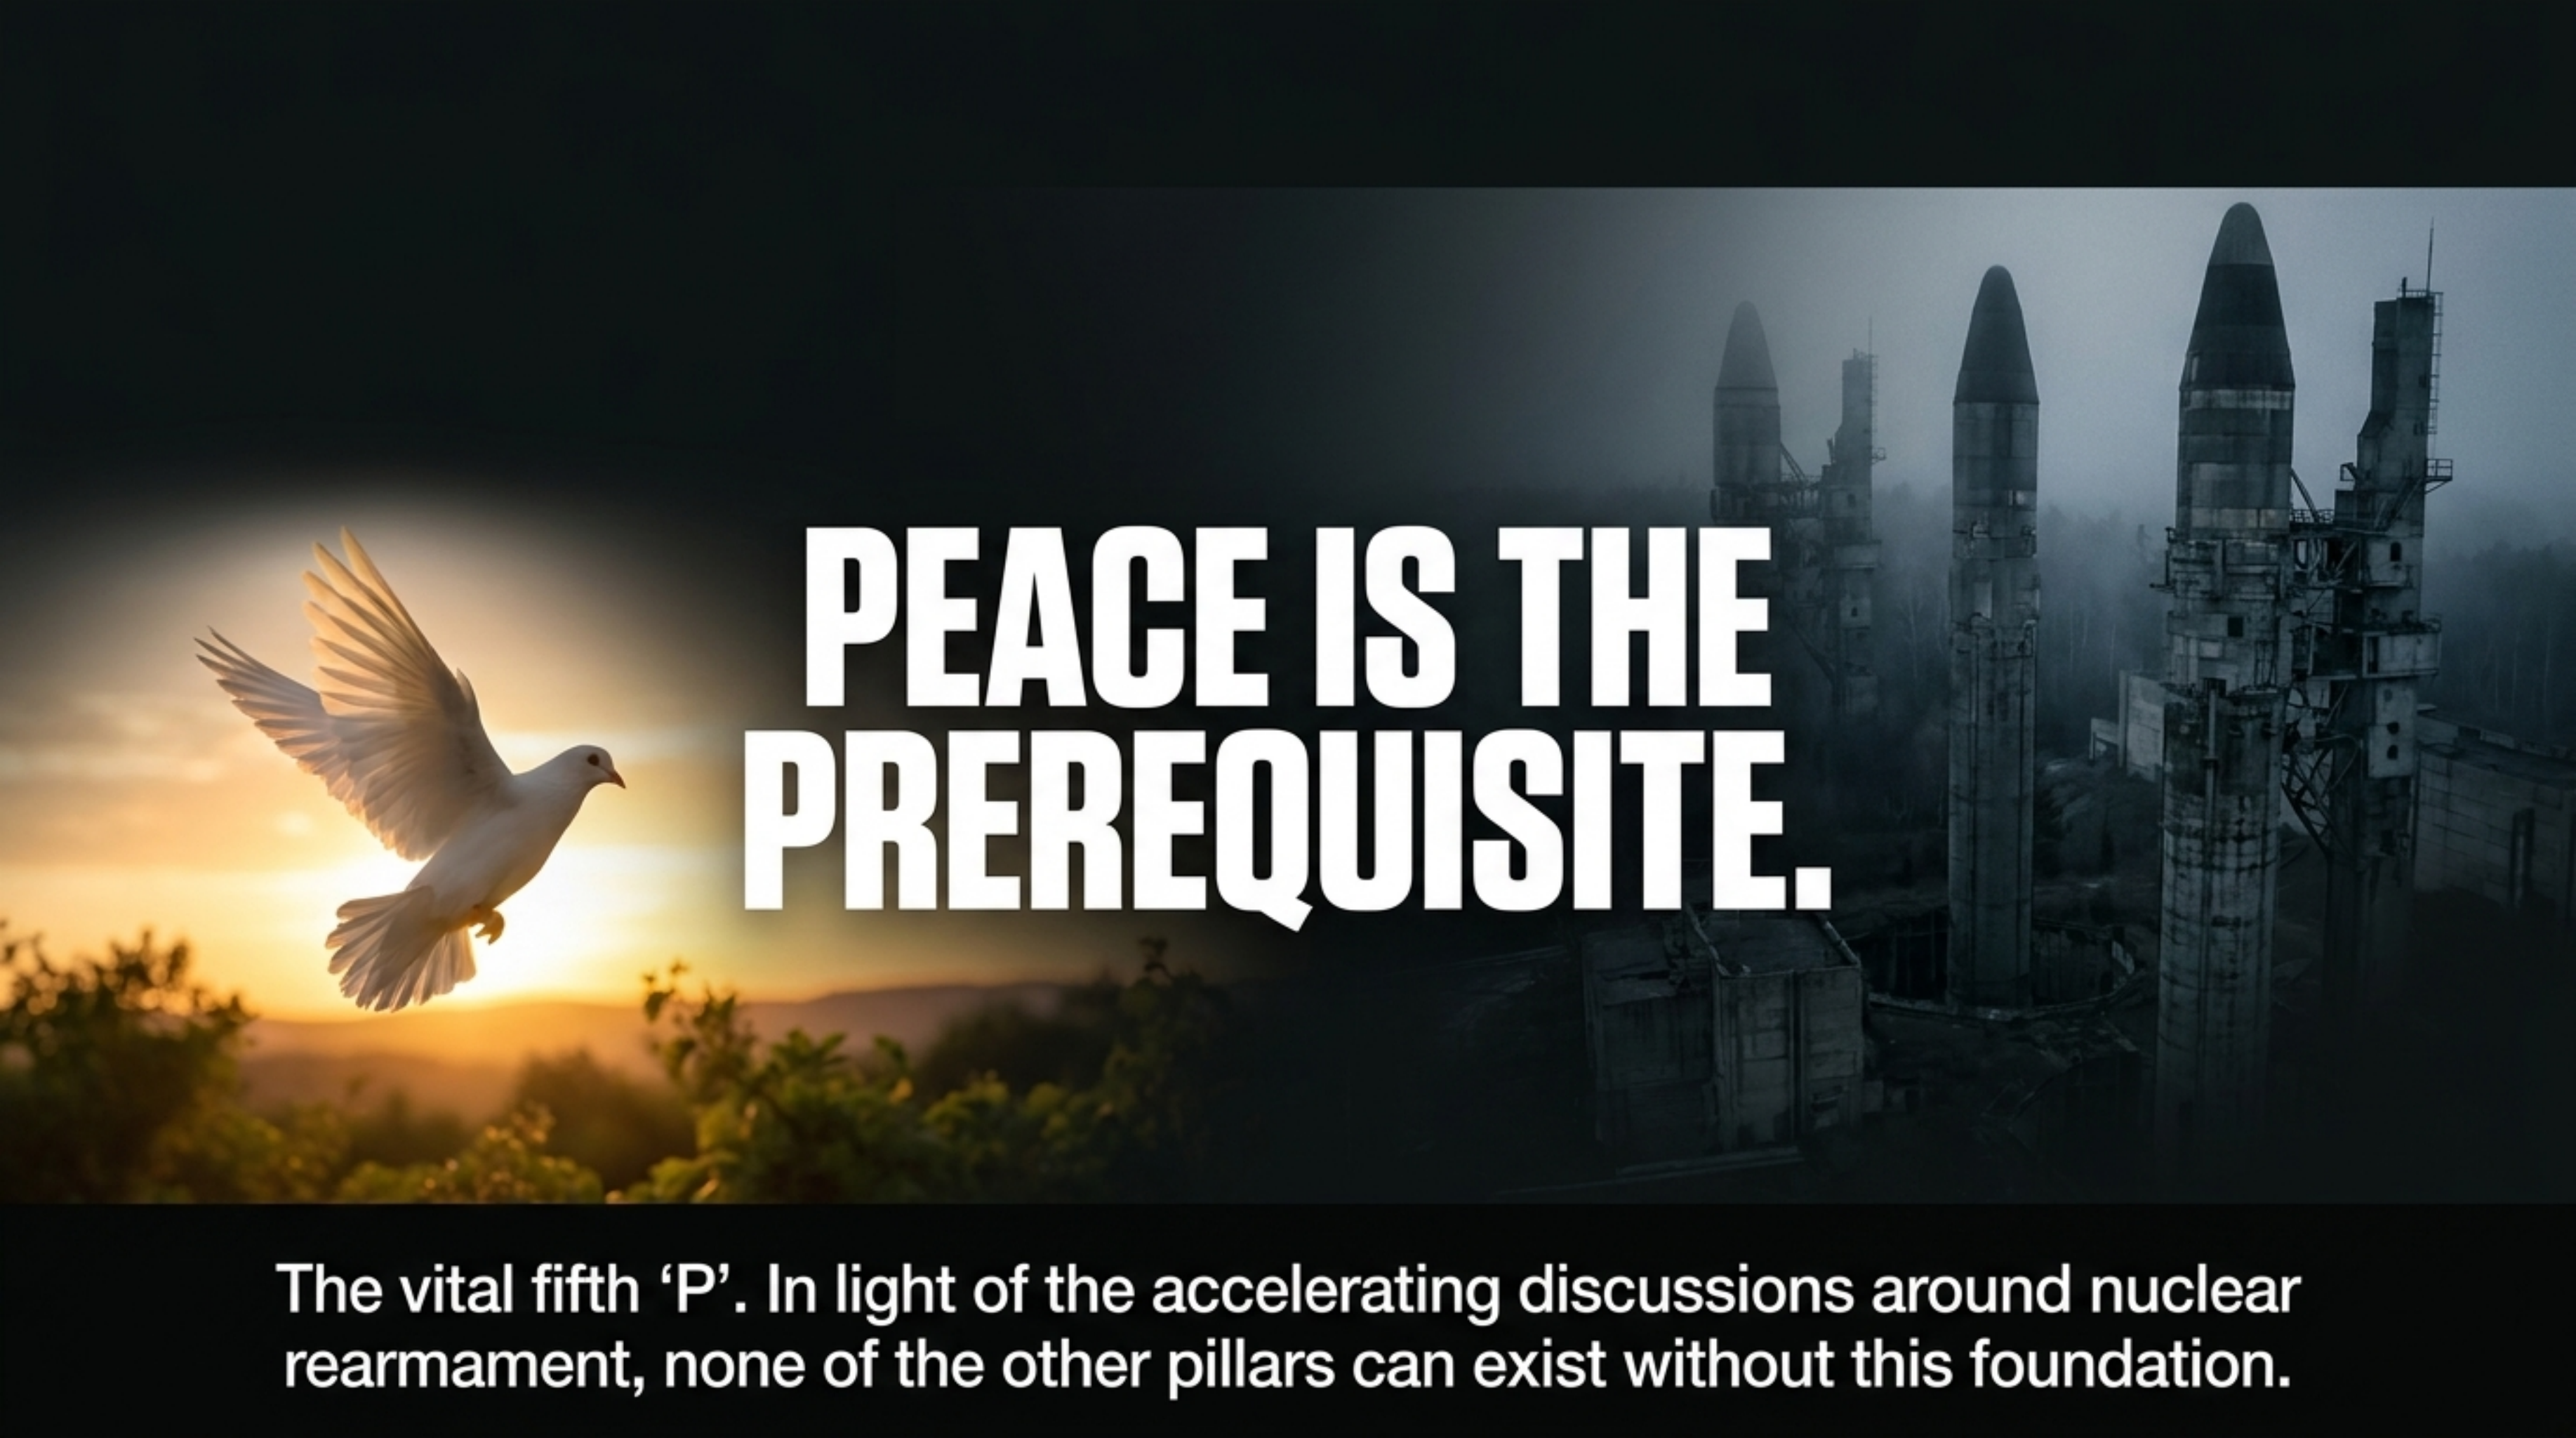

ECONOMY AND PLANET

Water, food, disease, and space travel are scientific challenges.
But we cannot have a great economy with no planet. It is not either/or.

THE NEW OPERATING SYSTEM

A composite image featuring a white dove in flight on the left, set against a warm sunset sky. On the right, a dark, misty background shows several tall, conical nuclear missile silos. The text 'PEACE IS THE PREREQUISITE.' is overlaid in the center in a large, bold, white sans-serif font.

PEACE IS THE PREREQUISITE.

The vital fifth 'P'. In light of the accelerating discussions around nuclear rearmament, none of the other pillars can exist without this foundation.

TRILLIONS

The annual AI dividend.
What do we do with that money?

~~SOCIALISM~~

**It is not Socialist.
IT MAKES EVERYONE A CAPITALIST.**

Universal Basic Capital turns citizens into capitalists
because it gives them the capital to actually participate.

HUMANISM

If we want a better logic, we must go beyond the old 'isms.
The antidote to the good future is taking you back to the past.

THE GOOD FUTURE OR THE BAD FUTURE.

Right now, this is the only thing that matters.

A close-up, high-contrast photograph of a person's face, focusing on the right eye. The person has dark skin and is looking directly at the camera. The lighting is dramatic, with the right side of the face (from the viewer's perspective) being brightly lit, while the left side is in deep shadow. The text 'DESIGN THE GOOD FUTURE.' is overlaid on the image in a large, bold, sans-serif font. The text is white with a subtle yellow-to-orange gradient, giving it a glowing appearance. The words 'DESIGN' and 'THE' are on the top line, and 'GOOD FUTURE.' is on the bottom line. The period at the end of 'FUTURE.' is a small square. The background of the image is dark and textured, possibly a wall or a piece of fabric.

DESIGN THE
GOOD FUTURE.
