What do you do for a living?

**But what do
you stand for?**

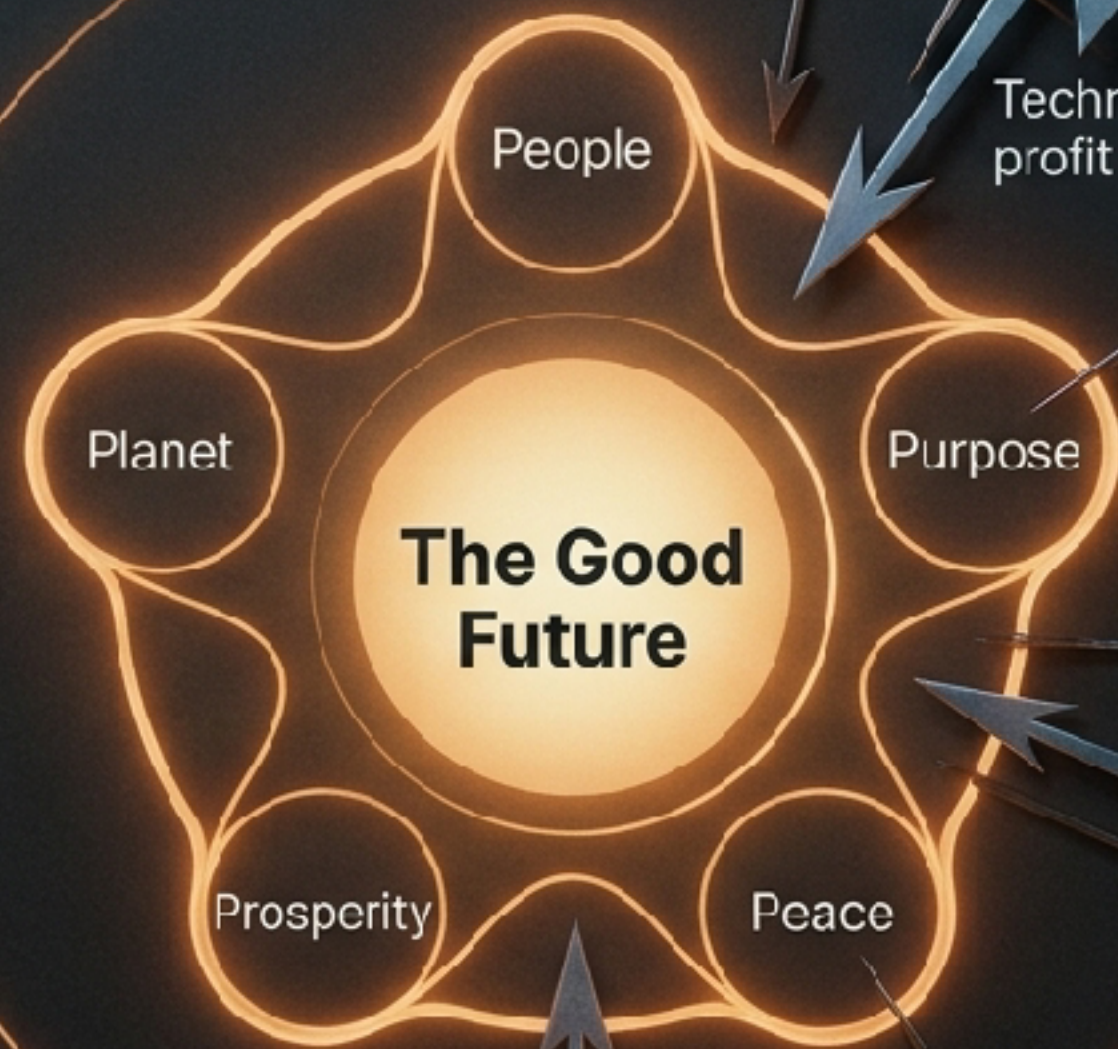

The Neutral Analyst

Maintaining the
status quo.

Avoiding friction.

Serving corporate
clients.

Choosing a Side

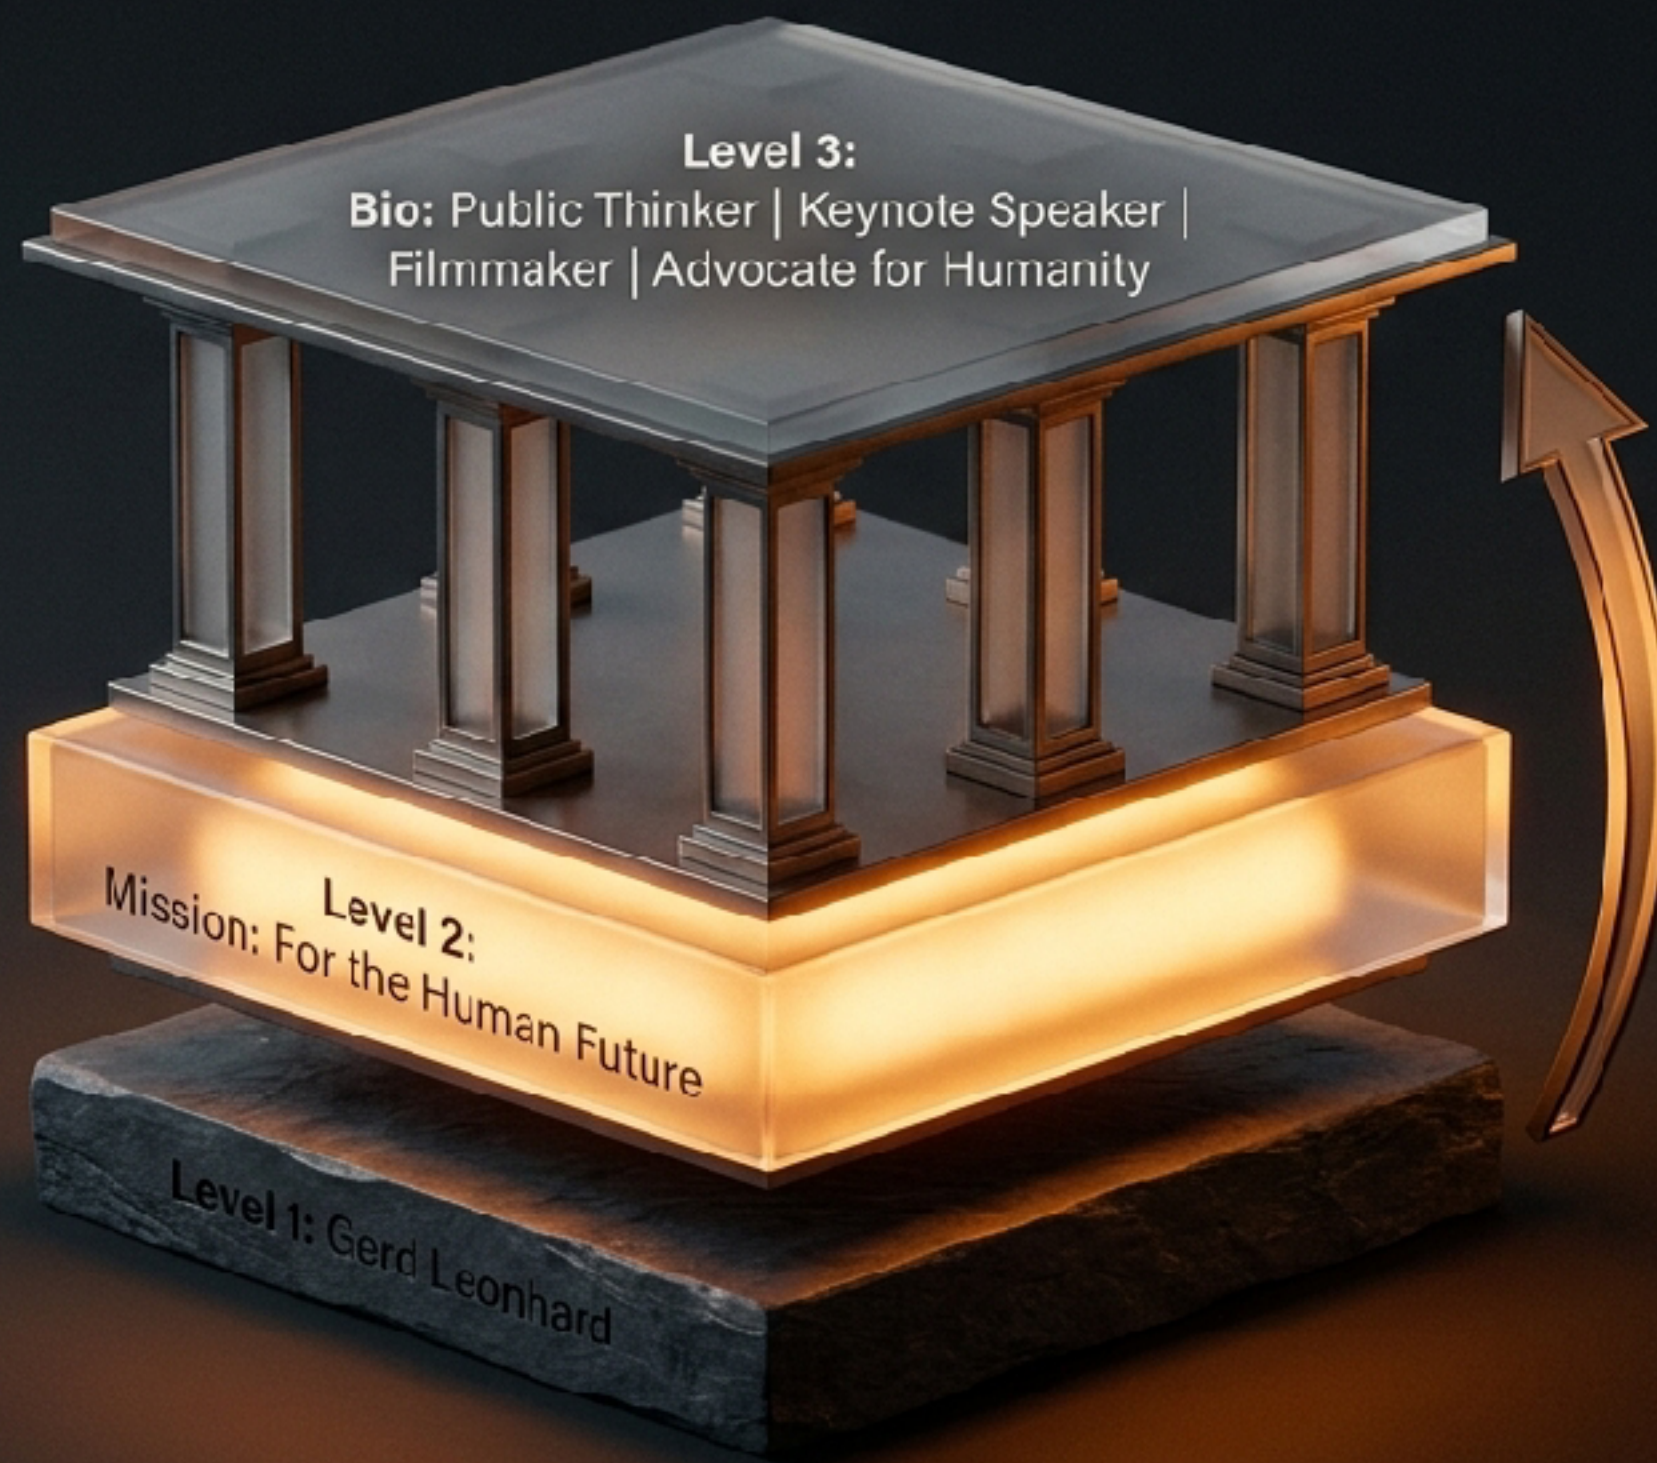

The work is no longer just for a room of executives—it is for anyone on the planet who cares about what technology is doing to us.

For the Human Future.

This is not a job title. It is a statement of purpose.
A declaration of allegiance in the face of powerful forces working against humanity.
